**Regulation 12(1):** A registrant may not transfer, or delete, or refuse to renew a domain name registration whilst proceedings under these Regulations are ongoing, except as a result of a written settlement agreement that the parties reached and after a copy of the settlement agreement, signed by both parties, has been delivered to the provider who must issue relevant instructions to the second level domain administrator after he or she confirmed the validity of the written settlement agreement between the parties.

**Regulation 31(2):** If, before the appointment of an adjudicator, the parties agree on a settlement, subject to the provisions of regulation 12(1), the provider must terminate the dispute and refund the complainant the fixed fee less any administration costs incurred to date.
